

President Was Away.

President Van Buskirk was in Washington at the time the run on the bank was started two days ago by a false report to the effect that its resources were much impaired. Immediately after his return to-day a reward of \$1,000 was offered for the apprehension of the person or persons responsible for the circulation of the report.

light in the New York Central yards in a wreck caused by a passenger engine colliding with cars, his locomotive was shifting. The passenger engine had been standing in the roundhouse when a boy jumped aboard and opened the throttle. He did not know how to close it and jumped off in fright. The engine ran down the track, took switch and smashed the freight cars. The line was blocked for hours.
